

We aim to offer hand-grown fresh produce all year round, farmed from our allotments. We sell eggs laid by our Happy Hens and juice made from the apples in our orchard.

SRT gives real work experience to adults with learning disabilities and by buying things from our Farm Shop at Northchurch or our market stall in Berkhamsted High Street every Thursday you are supporting our efforts.

"Meeting the challenge of change"

Horizontal lines for writing.

Support us by buying some of our freshly, home-grown produce
