

## What Does Good Housing Look Like? Reference Group

My name is Emily and I work in the Accommodation Team in Hertfordshire County Council, and I need your help!

We would like to make sure we are building houses that work for you, so we would like to put together a group of people that can help us.

We would like to be able to contact people in this group to help us with different housing projects as they come up.

You don't have to join in anything you are not interested in, but we want to make sure you have the opportunity join in. You can also change your mind at any time.

Joining in might mean meeting with me and other members of my team to talk about your ideas for different projects.

If you are happy to join our Reference Group, please email me and I will make sure you are on our list. You will be contacted as and when we need your help!
